15 April 2020

Dear Parents/Guardians,

## **Resumption of use of Zoom software for Home-Based Learning (HBL)**

MOE had earlier suspended the use of all video conferencing (VC) platforms following the recent security breaches on the VC platform Zoom. However, as of 13 April, MOE has taking over the central management of Zoom accounts. In addition, teachers are now required to comply with protocols and practices to ensure the safe use of VC platforms.

For Guangyang Primary School, we will be embarking on a resumption of the use of Zoom from 16 April, Thursday as all our staff have compiled with the required protocols and practices.

The guiding principle in this is to provide a safe and secure online live lesson environment for our students. Be assured that we have put every effort in ensuring that your child has a safe learning environment.

We look forward to seeing your children engaged in learning online with our teachers once again via Zoom, and we thank you always for your support in your child's learning.

Yours sincerely,

Vimalenthiran Vijayasingam (Mr)  
Principal
